Professional Summary:

- My goal as a software student is to keep growing by building strong technical and problem-solving skills. I want to learn how to design safe, efficient, and sustainable systems, and use that knowledge in a future career where I help solve real-world infrastructure challenges.

Current & Past Experiences:

- Engineering CTE - 2024 - present
 - Computer Aided Design
 - Teamwork
 - Problem Solving
 - Communication
 - Project Execution
 - Blockchain Programming
- Marching Band - 2024 - present
 - Leadership
 - Teamwork
 - Communication
 - Problem Solving
- Interested in Future Business Leaders of America
- SkillsUSA Arizona state championships Principles of Engineering contestant - 2026
 - Presentation skills
 - Research skills
 - Communication
 - Project Execution
- SkillsUSA Arizona state championships Mobile Robotics Technology team assistant - 2026
 - Teamwork
 - Problem Solving
 - Communication
 - Project Execution
 - Programming
- Scouting America Eagle service project leader - 2024
 - Leadership
 - Teamwork
 - Communication
 - Problem Solving
 - Project Execution
- First Robotics team - 2023
 - Computer Aided Design
 - Teamwork
 - Problem Solving
 - Communication
 - Java Coding
 - Github experience

Post-High-School Education & Career Projection

- Bachelor's Degree or higher in Aeronautical Engineering
 - Embry-Riddle Aeronautical University
 - Computer Aided Design
- Minor Degree in Chinese Language
 - University of Arizona Dual Enrollment
- Potentially a Minor Degree in Computer Science
 - Rio Salado College
 - Python
 - C Sharp
 - Unity
 - Java

Skills & Achievements

- Technical skills
 - Windows 10 & 11
 - Onshape CAD
 - Inventor CAD
 - Vexcode V5
 - Google Workspace
- Soft skills
 - Teamwork
 - Problem Solving
 - Communication
 - Project Execution
 - Active listening
 - Leadership
 - Task management
- Academic honors, certifications, and awards
 - National Honors Society member - 2026 - present
 - National English Honors Society member - 2025 - present
 - National Mandarin Honors Society member - 2025 - present
 - National Science Honors Society applicant - 2026 - present
 - Perfect 1000 on Certiport Inventor CAD Test
 - AP Mandarin exam - 3
 - AP Seminar exam - 3
 - Selected to participate in AP Calculus
 - One of several students ranked #1 out of 479 in class as of fall semester 2025
 - 3.95 unweighted gpa (rounded up based on grades in spring semester)
 - 4.80 weighted gpa (rounded up based on grades in spring semester)
 - Patrol Leader in Scouting America - 2023 - 2024
 - Field Assistant in marching band - 2026 - present
 - Scouting America Order of the Arrow member - 2025 - present
